

## English Disclaimer

This site is best viewed at a resolution of 800 x 600.

### TERMS OF USE

Welcome to the Stoas website. On this website you will find information about Stoas's services. Stoas is a company that is made up of several separate divisions which form different legal entities.

In addition to the applicable laws and regulations, access and use of this website are subject to the following terms and provisions. Use of this website means that you agree to these terms and provisions. In the text below, Stoas is understood to mean Stoas Holding B.V. and its subsidiaries.

### COPYRIGHT etc.

The Stoas.nl website is the property of Stoas. All copyrights and other intellectual property rights pertaining to the content of this website, including the text, the design and the images and sounds, are the property of Stoas or its licensors.

The content of this website may not be reproduced, modified and/or published without the prior written permission of Stoas, subject to restrictions laid down by law and except to the extent necessary for the intended use of this website.

### TRADE MARKS

All trade marks on this website are the property of Stoas or are used on this website with the permission of their respective owners. These trade marks may not be used in any way without the prior written permission of Stoas, subject to the restrictions laid down by law and except to the extent necessary to make efficient use of this website.

### HYPERLINKS AND SOFTWARE

Hyperlinks to this site are in principle permitted. However, framing is prohibited without the permission of Stoas.

This website contains hyperlinks to websites operated by parties other than Stoas. These hyperlinks are provided for your convenience only. Access to and use of these third-party websites may be subject to different terms and conditions. Stoas is not responsible for the content of these sites or for the information, software, products and services you can obtain on these sites. The listing of hyperlinks to third party websites on this website in no way implies endorsement of the content of these websites by Stoas nor any relationship or connection with the third parties operating these sites.

### SOFTWARE

All software that can be downloaded from this Stoas.nl website is the copyright protected work of Stoas or its licensors. Software may only be used by end-users in accordance with the provisions of the relevant end user license agreement.

End user license agreements are provided for the end-user prior to downloading. The software may only be downloaded, installed and used after the end user has agreed to the provisions of the relevant end user license agreement.

In the case of software that is not accompanied by an end user license agreement, the end user will obtain a personal non-transferable right to use the software to the extent necessary for the efficient use of this website.

### DISCUSSION GROUPS AND FORUMS

When participating in discussion groups and forums, you may not: insult or threaten other people or invade the privacy of third parties; restrict or prevent others from using and enjoying the discussion groups and forums; publish information that may be inappropriate, defamatory or otherwise unsuitable; upload or post information that does or could infringe the intellectual property rights of third parties and/or does or could damage other people's computers; download information that has been published by another user where it might reasonably be assumed to be known that this is an actual or potential infringement of third party rights; sell or advertise goods for commercial purposes.

Stoas reserves the right to deny a user access to a discussion group or forum at any time without prior notice and without stating reasons.

The discussion groups and forums are not monitored by Stoas. Stoas therefore has no control over or responsibility for the content, messages and information in and of the discussion groups and forums. Stoas reserves the right to change, remove, edit and make available to third parties any information published by users on its website if required in order to comply with laws and regulations. Stoas is entitled to use or allow the use of the information published by users via its website freely and without restriction. This unrestricted right of use also includes information that is protected in any way by intellectual property rights.

## **DISCLAIMER**

The information on this website is intended solely to provide information on Stoas's services and in no way implies any form of endorsement, request or recommendation in respect of any investment. The information is considered reliable but may be amended and/or withdrawn at any time without prior notice. Stoas cannot vouch for the completeness and accuracy of the information. The information is provided by Stoas without any guarantee, implied or otherwise, in respect of its accuracy, completeness and/or suitability.

## **PRIVACY**

Stoas respects the privacy of visitors to this website. The information collected by Stoas during the use of this website is used by Stoas to evaluate, further develop and personalize this site. For example, Stoas uses the information it collects to optimize the accessibility and quality of this site, including one-to-one marketing.

Personal information provided to Stoas during a visit to this website may be collected and stored in a data file. Personal information will only be processed if this is compatible with the purpose for which the personal information is collected, including, but not limited to, marketing purposes. If you no longer wish to receive information from Stoas, you can unsubscribe at any time by emailing Stoas. The personal information collected will not be sold or made available to third parties, the latter except in special circumstances, for example if required by law. Stoas uses cookies on this website. Cookies are small text files that record the personal preferences of visitors to the Stoas website. Stoas uses cookies to tailor the website to the users' wishes as effectively as possible. Stoas has taken suitable technical and organizational measures to prevent the loss of data or any form of illegal processing and examination by third parties. In order to prevent third parties from accessing personal data, Stoas also advises visitors to the website not to use a computer that is shared with others. If you do use a computer shared with several other people, Stoas will accept no liability whatsoever if certain personal data becomes available to third parties.

## **LIABILITY, ACCESS AND AMENDMENTS TO THESE TERMS AND PROVISIONS**

By visiting this website you agree that Stoas is not liable for any direct, indirect or consequential loss, whether contractual or as a result of negligence or other unlawful behavior, related to the use of information, material and/or services of this website and/or as a result of the use of information, material or services of websites linked to this website, unless such loss is the result of an intentional act by Stoas. This shall not affect the fact that Stoas is under no circumstances liable for any direct, indirect or consequential loss, whether contractual or as a result of negligence or other unlawful behavior, related to the use of information, material or services of websites linked to this website, unless such loss is the result of an intentional act on the part of Stoas.

## **ACCESS**

Stoas reserves the right to deny access to this website or any part thereof to any user entirely at its discretion without prior notice.

Amendment of these terms and provisions

Stoas reserves the right to amend the terms and provisions under which this website is presented. These changes will take effect immediately upon being posting to this website or by directly accessing them from this website.
